

# 2022 Middlebury Ski Bum League!

Hello Middlebury Ski Bum Racers,

Welcome to the 14th Annual Middlebury Ski Bum League! Below is an updated list of the Ski Bum League rules along with the tentative Après Ski schedule. Please read over everything carefully. Please also visit our Facebook page at ***Middlebury Skibum Race League***. The page will be evolving as time goes by and will be a fun, useful tool in communicating the race schedule, après ski schedule, results and general ski bum gossip. Please visit the page and add your contributions, or send in any ski photos you may have from past seasons to our official league email address at [middskibum@gmail.com](mailto:middskibum@gmail.com) so that we can post them on our Facebook page.

Please help spread the word about this year's league to any interested ski bums around the county and at the College - the goal is to get as many members of the community together as possible to celebrate this wonderful place we call home!

We will be compiling a sign-up sheet that will be passed around at the après ski parties looking for volunteers to help in the timing shack, the starting gate, course set-up and break-down.

This year's entry fee is simply \$25/person for the entire season for all racers, with the exception of Middlebury Students, who are free.

Please send checks to: Linda Schiffer, c/o Middlebury Ski Bum League, PO Box 725, Middlebury, VT 05753. Registration fees go towards restaurant compensation for food provided at après ski parties, advertising, weekly awards and end-of-year awards.

To register your team, please send team info to [middskibum@gmail.com](mailto:middskibum@gmail.com). We need the following information:

1. Team name
2. Team Captain
3. Names of each racer
4. Gender of each racer
5. Email addresses of as many team members as possible.

## **2022 Race & Après Ski Schedule**

January 14:	Notte
January 21:	TBD
February 4:	TBD
February 11:	TBD
February 25:	TBD
March 4:	TBD
March 11:	TBD
March 18:	TBD
March 25:	Notte

### **Rules**

1. This year's entry fee is \$25.00/person for the entire season for any skier who is not a member of the Middlebury College student body. The captain of each team is responsible for collecting and paying each team member's fee by January 12th
2. Participants will not be timed or scored until their entry fee is paid.
3. Teams must be comprised of at least three skiers, snowboarders or telemarkers. Team size is limited to a minimum of three racers and a maximum of fifteen racers.
4. Individuals are also encouraged to participate!
5. You may add team members over the course of the season as long as they haven't raced for another team or been placed on another team's roster (and only if you have room on your roster). Once you've added a member to your team, they are permanently a part of your team for the remainder of the season and must pay \$25.00 (unless they are a Middlebury College Student). Should a member of your team not be able to finish the season for one reason or another, they may petition the league to replace that racer for the remainder of the season.
6. Each racer is allowed two runs between the hours of 1:30 and 3:30pm.
7. The faster of each racer's two times will be counted.
8. The best (lowest) scoring three racers from each team will go toward their team's final score.
9. Only the first seven racers down the hill for each team can count towards that team's weekly result. Any additional racers from that team will be scored separately.
10. Scoring is based on a system by which the field is divided into equal sections. For instance, if 60 or more racers complete the course, the field will be divided into quarters. If fewer than 60 complete the course, the field will be divided into thirds. The fastest finishing racer in each divided field will receive one point, second fastest two points, third fastest three points etc. This system will make every racer's run count - finishing with the 46th fastest time will earn you as many points as the racer with the overall fastest time.

11. Women will be scored against women and men against men.
12. The team with the lowest overall score (the combination of their best three racers) will win that week's race.
13. To qualify for the Championship Cup, each team must finish a minimum of three racers in seven of the twelve race weeks.
14. The team with the seven best race weeks (overall fewest points) will be the 2018 League Champion!
15. Gift certificates will be awarded to winners in different categories at each après ski party!
16. League racers are responsible for purchasing their own lift tickets.
